Proposal was approved as proposed.

2. Proposed by the Board

Proposal: Adoption of the Proposal for Distribution of 2023 Profits

Explanation: (1) The 2023 Profit Distribution Proposal is attached as Attachment 4.

(2) The Board of Directors approved the proposal to distribute this year's earnings as cash dividends on March 15, 2024. Based on the current total number of issued shares, which is 118,260,830 shares minus 532,000 treasury shares, totaling 117,728,830 shares, a cash dividend of NT\$7 per share is planned to be distributed, amounting to NT\$824,101,810. The amount of cash dividend payment per share is rounded down to the nearest whole number. The amount of the remaining cash dividend which cannot be distributed (less than NT\$1 per share) will be disturbed in accordance with the percentage of current shareholding to meet the total amount of distribution of 2022 profits. (3) If changes in the capital affect the number of outstanding shares and alter the dividend distribution rate for shareholders, the Chairman of the Board is authorized to make adjustments and set the ex-dividend date along with other related distribution matters.

(3) The distribution will be based on the number of shares recorded in the shareholder register on the ex-dividend date.

(4) Please resolve.

Resolution: The voting results on this proposal are as follows:

Number of voting rights of shareholders present at the time of voting: 83,038,986

VII. Extempore Motions:

Shareholder account no.: 38701

Question: Outlook for the Company's business and operations for the second half of 2024

Summary of Chairman Lin's response:

The Company's overall turnover has not changed significantly before and after the pandemic, indicating a balance achieved in the European and American regions, with differences in the Chinese market. With business and operational expansion in 67 countries globally, TCI continues to move forward with a stable approach, striving to meet the highest standards in quality and quantity for growth, and working towards becoming the World's Number 1.

After the response, shareholders were asked if they had any other questions, and there were no further comments.

Shareholder account no.: 392

Question: Operation, contributions, and vision of forming the "Biotech Alliance"

Summary of Chairman Lin's response:

The current development focuses primarily on three major companies: TCI, MBI, and TCI Gene, serving as the core.

These companies are continuously moving towards internationalization in their respective markets and fields, contributing to the nation by promoting high-quality corporate images and excellent products globally. Over the next 2 to 3 years, the strategy will still be driven by the core business, TCI, to foster globalization. The "Biotech Alliance" will need time to achieve its goals, but the plans will remain unchanged, and efforts will continue.

After the response, shareholders were asked if they had any other questions, and there were no further comments.

Business Report

Dear Shareholders,

In 2023, TCI accelerated its internationalization efforts and actively expanded into multiple markets. It has now invested resources in the European, American, and Southeast Asian markets, gradually achieving significant success. Our team has been actively promoting our business activities in various countries and conducting high-level product meetings with leading companies in overseas markets to demonstrate TCI's competitiveness in the international supply chain. In the health care and skincare CDMO business, revenue contributions from Europe and U.S. continue to grow. We will achieve more long-term performance in the European and U.S. markets in the future.

Currently, TCI develops many large international customers, and the significant expansion of our customer base will lead to long-term partnerships. In terms of product development, TCI's R&D capabilities, research data, and ability to quickly integrate global regulations and marketing resources are well recognized and supported by large international customers. The products created in cooperation with large customers will benefit from their resources and bring more stable performance in the market in the future.

The Company continues to emphasize "Global Total Solution," which is a global solution for multinational customers from product design, allowing customers to market their products to many countries worldwide in the shortest time, with the highest efficiency, quickly and with high quality, creating a win-win situation with customers.

In terms of business management, we actively align ourselves with international ESG sustainability standards due to integrate with the United Nations sustainable development goals SDGs and have been recognized by third-party evaluation organizations. TCI ranked among the top 14% of the global industry leaders in the 2023 S&P Corporate Sustainability Assessment. Additionally, in the 9th Corporate Governance Evaluation, the company was honored with an excellent ranking in the top 5% of OTC-listed companies. Under sound governance, although operating expenses have increased due to investment in research and development, business development, and green manufacturing, it will strengthen the Company's resilience in the face of climate change and risks, and consolidate future competitiveness, which in turn will help the Company achieve steady long-term growth.

Looking ahead to 2024, TCI will continue to create and deliver value, translating into better financial performance. We are fully committed to the following 8 main aspects:

1. Accelerate Global Trade and Continuously Listen to Market Demands

Accelerate globalization efforts and expand into the Vietnam and India markets.

Continuously listen to the needs of suppliers and customers to understand differences and identify key demands.

2. Innovative Breakthrough - Join & Delight

Achieve innovation breakthroughs to create superior and efficient products that stimulate consumer demand in daily life.

3. Information Security and Convenience

As technology advances, stronger cybersecurity threats emerge. However, the convenience and application of information are inseparable from daily life. We will establish a more secure information security system and environment to provide faster, more precise, and reliable services.

4. Global Talent Recruitment and Reserve

Effectively manage, utilize, and organize key talents to enhance the company's competitive advantage. Talent reserves will increase to over 120% of the Group's workforce, building a development system with international vision, professional skills, and practical abilities. This will comprehensively enhance competence levels and provide a strong, continuous stream of talent for the Group's development.

5. Comprehensive Enhancement of Intelligence and Efficiency

All processes will be comprehensively efficient and intelligent. In the future, this will include hardware equipment, manufacturing, procurement, business development, product design, marketing strategies, and applications of AI and ChatGPT.

6. Effective Cost Control and Better Gross Profit

Continuously control costs effectively to reduce operational losses. We aim to create higher operating profits and gross margins through negotiation and cost savings, bringing maximum profits to the Company and its shareholders.

7. Layout for the Present, Vision for the Future

In the future, TCI will continuously implement environmental protection, social responsibility, and corporate governance globally, aiming to become a global green enterprise and advance towards long-term sustainability goals.

8. Seek Opportunities and Focus on Mergers and Acquisitions

Combine talent reserve mechanisms and continuously strengthen recruitment, enriching the workforce globally. Persistently seek ideal merger and acquisition opportunities to expand the Group's global footprint and create better operational synergy, aiming to become the world's number one CDMO for health supplements and wellness products.

Looking ahead to 2024, we will bring products to market in multiple countries worldwide as quickly as possible with the highest efficiency while maintaining high quality, creating mutual benefits, and win-win situations with our customers.

Good corporate governance, supplemented by internationally aligned measures and excellent performance, has strengthened the Company's resilience in facing risks. This has solidified future competitiveness and helped the company achieve steady long-term growth, moving towards becoming the world leader.

INDEPENDENT AUDITORS' REPORT TRANSLATED FROM CHINESE

To the Board of Directors and Shareholders of TCI Co., Ltd.

Opinion

We have audited the accompanying parent company only balance sheets of TCI Co., Ltd. (the “Company”) as at December 31, 2023 and 2022, and the related parent company only statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to the parent company only financial statements, including a summary of material accounting policies.

In our opinion, the accompanying parent company only financial statements present fairly, in all material respects, the parent company only financial position of TCI Co., Ltd as at December 31, 2023 and 2022, and its parent company only financial performance and its parent company only cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations that came into effect as endorsed by the Financial Supervisory Commission.

Basis for opinion

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the *Auditors' responsibilities for the audit of the parent company only financial statements* section of our report. We are independent of the Company in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Company's 2023 parent company only financial statements. These matters were addressed in the context of our audit of the parent company only financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters.

Key audit matters for the Company's 2023 parent company only financial statements are stated as follows:

Existence and occurrence of top ten customers

Description

The Company's and its subsidiaries' (listed as investments accounted for under equity method) sales revenue arise mainly from manufacturing and sales of health foods and cosmetics. Customers are mostly direct marketing companies in America, Europe and Asia and cosmetic companies.

With the expansion of direct marketing companies in America, Europe and Asia, the sales revenue from top ten customers has increased significantly and became a significant portion of operating income to the parent company only financial statements. Because of the rapid development in the internet sales market, more time and resources were required in performing the audit procedures. Thus, we consider the existence and occurrence of top ten customers as a key audit matter.

Please refer to Note 4(27) for accounting policies on revenue recognition and Note 6(21) for details of sales revenue and Note 6(7) for details of investments accounted for under equity method.

How our audit addressed the matter

Our audit procedures in respect of the above key audit matter included:

- Understanding and testing the internal control procedures of the top ten customers and testing the effectiveness of internal control related to sales revenue.
- Selecting samples from sales transactions of the top ten customers and comparing against orders and delivery bills to confirm whether the sales transactions did occur.
- Examining sales returns and discounts from the top ten customers after the balance sheet date to confirm the existence of sales revenue.

Responsibilities of management and those charged with governance for the parent company only financial statements

Management is responsible for the preparation and fair presentation of the parent company only financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations that came into effect as endorsed by the Financial Supervisory Commission, and for such internal control as management determines is necessary to enable the preparation of parent company only financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the parent company only financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Company's financial reporting process.

Auditors' responsibilities for the audit of the parent company only financial statements

Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent company only financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China , we exercise professional judgment and professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the parent company only financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the parent company only financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the parent company only financial statements, including the disclosures, and whether the parent company only financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the parent company only financial statements. We are responsible for the direction, supervision and performance of the parent company audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the parent company only financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

INDEPENDENT AUDITORS' REPORT TRANSLATED FROM CHINESE

To the Board of Directors and Shareholders of TCI Co., Ltd.

Opinion

We have audited the accompanying consolidated balance sheets of TCI Co., Ltd. and subsidiaries (the “Group”) as at December 31, 2023 and 2022, and the related consolidated statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of material accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at December 31, 2023 and 2022, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations that came into effect as endorsed by the Financial Supervisory Commission.

Basic for opinion

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the *Auditors' responsibilities for the audit of the consolidated financial statements* section of our report. We are independent of the Group in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Group's 2023 consolidated financial statements. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters.

Key audit matters for the Group's 2023 consolidated financial statements are stated as follows:

Existence and occurrence of top ten customers

Description

The Group's sales revenue arises mainly from manufacturing and sales of health foods and cosmetics. Customers are mostly direct marketing companies in America, Europe and Asia and cosmetic companies.

With the expansion of direct marketing companies in America, Europe and Asia, the sales revenue arising from such transactions has become a major operating item of the Group. And the sales revenue from top ten customers represents a significant portion of operating income to the consolidated financial statements. Because of the rapid development in the internet sales market, more time and resources were required in performing the audit procedures. Thus, we consider the existence and occurrence of top ten customers as a key audit matter.

Please refer to Note 4(30) for accounting policies on revenue recognition and Note 6(23) for details of sales revenue.

How our audit addressed the matter

Our audit procedures in respect of the above key audit matter included:

1. Understanding and testing the internal control procedures of the top ten customers and testing the effectiveness of internal control related to sales revenue.
2. Selecting samples from sales transactions of the top ten customers and comparing against orders and delivery bills to confirm whether the sales transactions did occur.
3. Examining sales returns and discounts from the top ten customers after the balance sheet date to confirm the existence of sales revenue.

Other matter – Parent company only financial reports

We have audited and expressed an unqualified opinion on the parent company only financial statements of TCI Co., Ltd. as at and for the years ended December 31, 2023 and 2022.

Responsibilities of management and those charged with governance for the consolidated financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations that came into effect as endorsed by the Financial Supervisory Commission, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Group's financial reporting process.

Auditors' responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and

obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
